

Special information for applicants from P.R. China

The University of Freiburg has an agreement with the Beijing International Institute of Asia-Europe Education and Culture (AEEC),北京亚欧国际教育文化院, intended to improve academic ties between both institutions and to facilitate the start of Chinese students in our Master of Economics Program.

While Chinese students are welcome to follow the regular application procedure as described on our website, they may alternatively apply through the cooperation agreement.

In the framework of this cooperation, three issues are important which we would like to bring to your attention:

(1) The Beijing International Institute of Asia-Europe Education and Culture (AEEC) organizes an oral examination for students who are applying for the program through the cooperation agreement. These interviews take place each year in spring. To apply through the cooperation agreement please contact directly:
