Disclaimer: This table has been prepared based on the information available on the webpages of the Chairs and on HISinONE. The Coordinator does not take any responsibility for any mistake or difference with the final information.

C=Compulsory ; I = Internal Elective; E= External Elective

The courses marked in black are specialization courses and only students of that profile can attend them.

(*) Electronic Markets and Digital and Network Economics are partially compulsory and partially elective for ISNE Profile and Internal Elective for E&P and Finance.

ISNE students taking Electronic Markets or DNE will register for 6 ECTS for the mandatory course and once passed, 3 ECTS will be reclassified as Internal Elective
